[24CFRPart90 3.79(r)]					
AtPHAoption, provide a briefover view of the information in the Annual Plan					
The The Topicon, provide action of the Worlden Montale Minimal Training					
The CNJHA has had a very productive and successful year. Section 8 Lease	-ups are at an all				
time high, completion of a fiscal audit and a new member to the Housing Au  thority has been					
recruited.	morrey mas soon				
100.00.00					

1

Currently, the lease -ups are at an all time, with a utilization rate of 121%. It is estimated the waiting list is approximately 18 mths to 24 mths.

The HA is not required by HUD to complete an annual Single Audit because revenu edoes not exceed \$500,000. However, the State of Nebraska Auditor requires HA's receiving more than \$250,000 in funds to complete a Single Audit every other year. In 2001, the Board of Commissioners passed a motion to complete an annual audit each year. The fiscal audit was completed in April 2003 with no findings.

The City of Valentine has joined the HA and residents are now eligible to receive Section 8 Vouchers. The City was lacking in affordable housing units and the Section 8 program helps in meeting some of the affordable housing needs.
